

## DISCLAIMER

**Version:** 1.0

**Issued by:** Swage Aero B.V.

**Scope:** All operations, products, suppliers, and customers

**Effective date:** 01 September 2025

### **Disclaimer – Independent Supplier of Aerospace Tooling**

This document sets out the product disclaimer applicable to all goods and services supplied by Swage Aero B.V.

#### **1. Non-OEM Statement**

The products supplied by Swage Aero B.V. are not manufactured by, affiliated with, endorsed by, or approved by the original equipment manufacturer (OEM), including but not limited to Permaswage®. Any reference to OEM names, part numbers, trademarks, or specifications is made solely for identification, comparison, or compatibility purposes.

#### **2. Independent Products**

Swage Aero B.V. supplies alternative tooling and components that are intended to be functionally equivalent where applicable. All products are sold as independent products and are clearly identified as such. No representation is made that the products are OEM-original unless explicitly stated in writing.

#### **3. Customer Responsibility**

The customer is solely responsible for determining and ensuring that the purchased products are suitable, approved, and permissible for use within their specific operational, regulatory, and certification environment. This includes, but is not limited to, compliance with EASA, FAA, military, governmental, or internal organizational requirements.

#### **4. Use and Liability**

Swage Aero B.V. shall not be held liable for any improper use, unauthorized application, or use of products outside their intended scope. The customer assumes all responsibility and risk associated with the use of the products after delivery.

#### **5. Warranty Limitation**

Any warranties applicable to products supplied by Swage Aero B.V. are limited to those explicitly provided in writing by Swage Aero B.V. No additional warranties, express or implied, are given.

#### **6. Intellectual Property**

Nothing in this disclaimer shall be construed as granting any license or right under any OEM or third-party intellectual property, trademark, or patent rights.

#### **7. Governing Law**

This disclaimer shall be governed by and construed in accordance with the laws of the Netherlands, unless expressly agreed otherwise in writing.
